The Duval Message

Duval 4-H Newsletter

February 2015

Hello 4-H families,

Often times we say that things went by too quickly, I often beg to differ. I try to savor the feeling of what is going on around me. This last month that I spent getting to know everyone and working here in the office has been great, therefore I took the time and tried to enjoy the time spent. For all those of you I have still yet to meet, the time is quickly approaching I am sure.

In the last month we began renovating the extension office and it seems like everyone is in the final stages of getting ready for Major and County Shows.

To expand on that.....

The office is has new walls and folks should be coming in to tape and float soon. Immediately after the touch ups are done we are going to paint and we would love the help of some of our 4-H members, so please keep an open ear out as to when we will be getting some community service for Duval 4-H. On the other hand stock shows are quickly coming up and we all need to be ready, if you have any questions please let me know. Let this be a segway into what is going to happen this month.

In the month of February some of the Duval 4-Hers and respective families are going to San Antonio and Houston Stock Show and Rodeos, Emilie and I will be going around as much as possible, supporting and watching the students. We look forward to blue and purple ribbons as well as pictures up on what I am calling the "Wall of Fame" here in the office. These are great experiences and opportunities for students. Enjoy the moments. Also this is also about the last 30 days before Duval County and Freer Fair. Let's get ready. All of yall's hard work will pay off soon.

If you all need anything, call, email or come by,

Travis D. Trevino
