Sam's Goodbye

Thank you all very much for allowing me to serve, as your county agent for the past 12 years. We have a lot of great memories and plenty of accomplishment. We still had a lot left to do, but it was time for me to move to the valley, to be closer to my kids. I will always be returning and hopefully I will see all of you sometime down the road. If you ever need anything call Jennika at the Duval Extension Office and she will be able to get your questions answered.
