2014 District 12 4-H Shooting Sports Postal League

(22 Rifle, Archery and Shotgun)

The District 12 4-H Shooting Sports Postal League continues to be a huge success and a great experience for 4-H shooting sports members. We are excited to announce the 2014 event and with this announcement, the news that we are adding Shotgun to the list of disciplines offered. The postal league is designed to provide additional shooting sports opportunities for 4-H members across District 12. This event will allow smallbore rifle, archery, and shotgun enthusiasts the opportunity to engage in a new competition across the district. By nature of this event, being a “postal” league, it will take place locally with scores submitted by a specific due date. Participants will register online (via their coach), shoot the specified match within the specified timeline, and submit scores as outlined in the guidelines.

Awards will be provided for all three disciplines and presented during the respective District 12 4-H Shooting Sports matches hosted this Spring. Awards for smallbore will include team awards and individual high-point. Awards for archery and shotgun will include individual awards. Rules for these events will follow Texas 4-H 3-Position Rifle Rules, Texas 4-H Archery Rules, and Texas 4-H Shotgun Rules as well as the guidelines provided with this correspondence for conducting this postal league event.

To those of you 22 Rifle, Archery and Shotgun Members interested in Participating in the Postal League, please contact or come by the Duval Extension Office to get registered. Once you register remember to contact your coach and let him know you have been registered. There will be a \$9 per person registration fee. The registration period will begin February 1st and conclude on February 28, 2014. . The shooting period is between March 1st and April 8th.
